

WELCOME to Fall 2009 at LAVC!

Math 125 (Intermediate Algebra) Section # 1701

MTWTh 11:20 am – 12:30 pm, MS 107

Prof. Luz Shin, shinlv@lavc.edu, 818-947-2393

www.lavcmath.com/shin

TIPster (In-Class Tutor): David Solomon

As you enter:

- Please sign in by writing your initials by your name. If your name is not on the sign-in sheet, please write your name legibly on the blank space, and initial on the appropriate date. Those who need an add permit will be given one, if there is available space and if they come to the next class meeting.
- Pick up a syllabus and an index card. Fold the card so that it will stand on your desk. Write your first name on the card in BIG BOLD letters, then add your last name and major in smaller print. Read the syllabus until the class starts.

The course in a nutshell:

- Quick review of four chapters (assigned homework is from chapter review exercises) and thorough study of six chapters (assigned homework is from each individual section)
- There will be five long exams plus a comprehensive final
- Calculator allowed but not notes for exams
- Homework should be turned in on due date
- Homework can be done online: Just go to www.coursecompass.com
- There will be regular class work and graded group work

Today's to do list: August 31, 2009

- See screen for instruction for sign-in sheet, syllabus and card.
- Introductions: “Fave Five”
- Go over syllabus and timeline
